J10's Life

Hi, I'm some guy who thought of making a fanfic for the people i rp as. I am making this sonic role play with fan characters. Hope you guys enjoy

J10adn-One of my favorite character and main in these series. This is mainly referred to J10's past and present life. J10 is the stubborn hero people mainly hates but respects him because he is the hero and a good friend.

Elaine-J10's little sister. She is surprisingly strong, and the most annoying sister J10 can have.

Crystal-J10's girlfriend. She quite feisty and is completely useless. Somehow She got J10's attention because of an fight. Yet she lost it.

(J10adn is not my fanmade character but he showed out to me.)

Chapter 1! The Truth Is In The Past!

-J10 was laying down on his cotton matress looking at his ceiling, thinking about something.- "ngh... What is this world suppose to mean."(hes emo) J10 had a mansion and yet he doesn't even work. Hes sorta a rich guy, but he barely uses the money on anything. His mansion took over 450 acres of land. Which he had bought himself, and no one even living with him. People called him 'King Of Gold' because of how much gold he had. But thats only because of the ring that was passed down to him. Called the 'Ring Of Wishes' able to fufill any wish he commands. So he can wish to be immortal if he wanted, but he says its not fair to others.

Back toJ10's story. -he got up and went for a little walk. But as he stepped outside someone walked infront of him and slapped him- "H-hey! Why did you slap me?!" "Because I can. You still haven't taken me out yet, you jerk!" "Can you Give the chance? Jeez..." -The figure then hugged him nodding her head to confirm something.- "anyways.. How you doing crystal?" "I'm doing fine babe... And you?" "Great as i'll ever be!" -Since nothing has happened for a few months. He took the time to calm his mind from the violent thoughts he would take in. Like killing people, getting revenge.. All that stuff.- "Crystal.. Remember that time when I almost killed everyone." "yea..." "well i've been thinking..."

Thats the end to Chapter1. Yea i know its short but i have to describe J10's past. Thanks for reading
